From the manual "Government in the Sunshine", page 40: Paragraph C. Each board, commission or agency of this state or of any political subdivision thereof shall include in the notice of any meeting or hearing, if notice of meeting or hearing is required, of such board, commission, or agency, conspicuously on such notice, the advice that if a person decides to appeal any decision made by the board, agency, or commission with respect to any matter considered at such meeting or hearing, he will need a record of the proceedings, and for such purpose he may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

Kirk Reams
Clerk of Courts

Parrish Barwick
County Coordinator

T. Buckingham Bird
County Attorney

JEFFERSON COUNTY BOARD OF COUNTY COMMISSIONERS

Regular Session

Emergency Management Operations Center

August 6, 2020

6:00 P.M.

The Board met this date in regular session. Present were Chairman JT Surles, Commissioners Betsy Barfield, Stephen Fulford, Eugene Hall and Stephen Walker. Also present were County Attorney Scott Shirley and Clerk of Court Kirk Reams.

1. Chairman Surles called the meeting order. Commissioner Hall led the invocation and pledge of allegiance.
2. Commissioner Hall presented a proclamation to Summer Camp for their feeding of the disadvantaged youth in our community.
3. Auditor Chris Moran gave an overview of the 2018 audit and provided an update on the 2019 audit.
4. Commissioner Barfield requested that General Business item K be moved directly after item A. Commissioner Hall requested that the Summer Camp grant be tabled to a future meeting in order for him to bring additional information to the Board. **On motion by Commissioner Walker, seconded by Commissioner Barfield and unanimously carried, the consent agenda—consisting of the approval of the agenda as amended, General Fund/Transportation Vouchers, Grant Application for We Care Network and SHIP Annual Report/Certification—was approved.**
5. Chairman Surles introduced the citizens request to discuss the removal of the monument on the Courthouse grounds. Citizen Franklin Brooks spoke in favor of removing the monument. The following people spoke against removing the monument: Parrish Barwick, Sara Kirsch, Diana Olensky, Robin Frutig, Ed Vollertsen, Fritz Kirsch, Jack Carswell. Regan Anderson recommended this item be placed on the ballot. Tracie Fulford stated the Courthouse grounds should be neutral. Commissioner Hall spoke in favor of removing the monument. Commissioner Fulford spoke in favor of removing the monument. **Commissioner Hall made a motion to remove the monument, to which Commissioner Fulford seconded. Commissioner Fulford withdrew his second and Commissioner Barfield seconded Commissioner Hall's original motion. The motion failed 2 to 3 (Barfield, Surles and Walker opposed).**
6. Commissioner Fulford introduced the discussion of the county-wide mask requirement. County Health Department Director Kim Albritton discussed current trends with regards to masks. **Commissioner Hall made a motion to support the county-wide mask requirement. The motion died for lack of a second.**
7. Clerk of Court Kirk Reams provided a worksheet with the first wave of distribution for the CARES Act funding. On motion by Commissioner Barfield, seconded by Hall and unanimously carried, the Board approved the expenditures of the CARES funding.
8. County Attorney Scott Shirley introduced the Self-Assessment Ordinance that would allow subdivisions the ability to develop projects larger than could be afforded by individuals. He stated he would put together the parameters for this program and bring before the Board at a future meeting.

9. Planning Official Shannon Metty presented the solar ordinance for discussion. The Board provided some recommended changes. Mr. Shirley and Mrs. Metty stated they would bring a revised draft of the ordinance to the Board before advertising for public hearing.
10. Planning Official Shannon Metty presented the first reading of the Comprehensive Plan map change.
11. Commissioner Barfield provided an update on the NextEra negotiations. It was the consensus of the Board to have Shannon Metty be the liaison from the Board to NextEra and to receive a pay increase for her additional duties.
12. Clerk of Court Kirk Reams recommended that Commissioners send a list of roads they would like to see paved. He stated he could then get cost estimates on the roads and discuss/research the feasibility of extending the Road Bond.
13. **On motion by Commissioner Barfield, seconded by Commissioner Walker and unanimously carried, the following housing change orders were approved: Joseph Hankins (\$3,000); Lewis Anderson (\$22,542); Doris Ford (\$13,900).**
14. The CARES Act Foreclosure and Eviction Prevention application was briefly discussed as an informational item.
15. Commissioner Barfield introduced the Gulf Consortium sub-recipient agreement. It was the consensus of the Board to no longer pursue the Boland property due to the price.
16. Commissioner Hall introduced the public access channel item. He stated the Board could potentially meet via this method.
17. Planning Official Shannon Metty stated the Board needed to replace the Veteran Affairs Officer. It was the consensus of the Board to advertise for this vacancy.
18. Attorney Scott Shirley stated he would be advertising a formal meeting to discuss the Waukeelah Highway litigation.
19. Commissioner Hall reminded the Board that he would be bringing back the Summer Camp grant application at the next meeting.
20. Commissioner Barfield requested the Board get back to the twice-per-month meetings, in order to cut down on such large agendas/so many items.
21. **On motion by Commissioner Walker, seconded by Commissioner Barfield and unanimously carried, the meeting was adjourned.**

**Board of County Commissioners
Jefferson County, Florida**

J.T. Surles, Chairman

ATTEST:

Kirk Reams, Clerk of Court

Grant Detail

Grants are listed by anticipated or confirmed deadlines.

Grant:	Nonpoint Source Funds
Project Targets:	Water and Sewer Services (various projects)
Funding Source:	Florida Department of Environmental Protection
Summary:	Nonpoint Source Funds includes Section 319 grants, TMDL, and SWAG. The goal of these grants is to reduce nonpoint source pollution from land use activities. Eligible projects include: demonstration and evaluation of best management practices, nonpoint pollution reduction in priority watersheds, green infrastructure/low impact development for stormwater, ground water protection from nonpoint sources, public education programs on nonpoint source management ("319" grants only), and septic to sewer projects ("319" grants only) (Not specified)
Award Size:	Depending on federal and state appropriates, \$8-9 million
Total Funding Available:	
Eligibility:	Florida's local governments, including county and municipal governments, special districts, water management districts, other state agencies, public universities/colleges, and national estuary programs located in Florida. Florida's local governments, including county and municipal governments, special districts, water management districts, other state agencies, public universities/colleges, and national estuary programs located in Florida.
Submission Deadline:	Rolling - Applications reviewed Sept/Oct and Mar/Apr
Program Contact:	https://floridadep.gov/wra/319-tmdl-fund/content/nonpoint-source-management-program-contacts
Website:	https://floridadep.gov/wra/319-tmdl-fund
Additional Notes:	Solicitations are sent via the email listserv in the fall or spring annually.

Grant: Jeremiah Lucey Grant Program
Project Targets: Turnout gear
Funding Source: Leary Firefighter Foundation
Summary: The Leary Firefighters Foundation considers grant requests for training, equipment, and technology for fire departments in the US. The grant making process begins with a letter of inquiry, which leads to an invited application if selected.
Award Size: \$5,000 - \$25,000
Total Funding Available: Not specified
Eligibility: Paid and volunteer departments
Submission Deadline: Letters of inquiry are due August 15, annually
Website: <https://learyfirefighters.org/grant>

Grant: Firehouse Subs Public Safety Foundation Grants
Project Targets: Turnout gear
Funding Source: Firehouse Subs Public Safety Foundation
Summary: The goal of the Foundation is to providing funding, life-saving equipment, disaster assistance and educational opportunities for first responders and public safety organizations.
Award Size: Typically \$20,000
Total Funding Available: Not specified
Eligibility: Must be a public safety organization located w/1 60 miles of a restaurant, be the immediate benefactor of the award, and not have received funds within the previous 12 months
Submission Deadline: August 19, November 11
Website: <https://firehousesubsfoundation.org/>

Grant:	Florida Recreation Development Assistance Program (FRDAP)
Project Targets:	New park at Extension Office, Enhance coastal access, Wacissa River Park, Enhanced bike path, New park facility at Lamont, Recreation Park improvements
Funding Source:	Florida Department of Environmental Protection
Summary:	The Florida Recreation Development Assistance Program (FRDAP) is a competitive program which provides grants to local governmental entities for acquisition and development of land for public outdoor recreation use or to construct recreational trails.
Award Size:	\$50,000 (no match) \$50,001 - \$150,000 (25% project cost match required) \$150,001 - 200,000 (50% project cost match required) \$12,342,750 was requested in the 2020 competition
Total Funding Available:	
Eligibility:	All county governments and incorporated municipalities of the state of Florida and other legally constituted local governmental entities with the legal responsibility for the provision of outdoor recreational sites and facilities for the use and benefit of the general public.
Submission Deadline:	<i>Anticipated: October 2020</i>
Website:	https://floridadep.gov/lands/land-and-recreation-grants/content/frdap-assistance
Additional Notes:	DEP's performance and obligation to award program grants is contingent upon an annual appropriation by the Florida Legislature. Should the project receive funding, the grantee will have up to three (3) years from the start of the state's fiscal year in which funds are appropriated to complete the project.

Grant:	Pre-Disaster Mitigation Grant Program (PDM)
Project Targets:	Stormwater projects, brush truck, digital signs
Funding Source:	Florida Division of Emergency Management
Summary:	As appropriated by the Consolidated Appropriations Act, the Pre-Disaster Mitigation (PDM) Grant Program provides resources to assist states, tribal governments, territories and local communities in their efforts to implement a sustained pre-disaster natural hazard mitigation program, as authorized by the Robert T. Stafford Disaster Relief and Emergency Assistance Act, Public Law 93-288, as amended (42 U.S.C. 5133).
Award Size:	Not specified, but a 25% project cost match is required
Total Funding Available:	\$250 million (federal)
Eligibility:	State Agencies, Federally-Recognized Tribes, Local Governments/ Communities, and Federally-recognized Native American Tribal Governments
Submission Deadline:	<i>Anticipated: November 2020</i>
Program Contact:	(850) 815-4532 Non-Disaster.Programs@em.myflorida.com
Website:	https://www.floridadisaster.org/dem/mitigation/pre-disaster-mitigation-grant-program/
Additional Notes:	Eligible mitigation projects include: • Property Acquisition and Structure Demolition or Relocation • Structure Elevation • Mitigation Reconstruction • Dry Floodproofing • Generators • Localized/Non-localized Flood Control Projects • Structural Retrofitting and Non-structural Retrofitting of Existing Buildings and Facilities • Construction of safe rooms • Wind Retrofitting for Family Residences • Infrastructure Retrofit • Soil Stabilization • Wildfire Mitigation • Resilient Infrastructure • Advance Assistance • Hazard Mitigation Planning

Grant:	Land and Water Conservation Program
Project Targets:	New park at Extension Office, Enhance coastal access, Wacissa River Park, Enhanced bike path, New park facility at Lamont, Recreation Park improvements
Funding Source:	Florida Department of Environmental Protection on behalf of the US Department of Interior-National Park Service
Summary:	The Land and Recreation Grants staff administers grants to local governments through the Land and Water Conservation Fund (LWCF). The LWCF is a federal competitive program that provides grants for acquisition or development of land for public outdoor recreation.
Award Size:	\$400,000
Total Funding Available:	\$6,202,168 (2019-2020 funded projects)
Eligibility:	All county governments and incorporated municipalities of the state of Florida and other legally constituted local governmental entities with the legal responsibility for the provision of outdoor recreational sites and facilities for the use and benefit of the general public.
Submission Deadline:	<i>Anticipated: January 2021</i>
Program Contact:	Tamika Bass, tamika.bass@dep.state.fl.us, 850-245-2501
Website:	https://floridadep.gov/lands/land-and-recreation-grants/content/land-and-recreation-grants-program-staff-contacts
Additional Notes:	LWCP Manual: https://www.nps.gov/subjects/lwcf/lwcf-manual.htm

Grant:

Project Targets:

Funding Source:

Grant:**Project Targets:****Funding Source:****Summary:****Special Category Historic Preservation Grants**

Historic restoration projects (Old Gym, "A" Building)

Florida Department of State – Division of Historic Resources

The purpose of this program is to provide funding to assist major local, regional and state-wide efforts to preserve significant historic and archaeological resources, to assist major archaeological excavations or research projects, and assist in the development and fabrication of major museum exhibits that will promote knowledge and appreciation of the history of Florida. Eligible projects include development, archeology research, museum exhibit, and acquisition projects.

Award Size:

\$500,000; A 50% project cost match is required, with a REDI waiver available

Total Funding

\$5,005,177 was awarded to 18 projects in the FY2020 competition

Available:

Grant applications are ranked by a panel and then funded down list until the appropriation is awarded

Eligibility:

Eligible applicants include a public entity governed by a county, municipality, school district, community college, college, university, or an agency of state government; or a Non-profit Organization.

Submission Deadline:

Anticipated: June 2021

Program Contact:

DHRgrants@dos.myflorida.com

850.245.6333

Website:

<https://dos.myflorida.com/historical/grants/>

Additional Notes:

Eligible applications are evaluated on historic significance, endangerment, appropriateness of the preservation treatment proposed, administrative capability of the organization, adequacy of financial resources, availability of professional and technical services, compatibility with statewide historic preservation priorities, educational potential, economic benefits and public good resulting from the project.

The ranked list for the FY2020-21 competition is available here:

<https://dos.myflorida.com/media/702157/fy2020-2021-sc-ranking-list.pdf>

The following grants currently do not have a deadline. Langton Consulting is monitoring these programs and will provide additional information when a current program solicitation, request for applications, or notice of funding opportunity/availability (NOFO, NOFA) become available.

Grant:	Broadband ReConnect Program
Project Targets:	Broadband Internet Services
Funding Source:	US Department of Agriculture, Rural Development
Summary:	The Broadband ReConnect Program furnishes loans and grants to provide funds for the costs of construction, improvement, or acquisition of facilities and equipment needed to provide broadband service in eligible rural areas.

Grant: Disaster Recovery Grant - Emergency Supplemental Funds

Project Targets: Historic Restoration of "A" Building

Funding Source: U.S. National Park Service

Summary: The Department of the Interior's National Park Service announced \$47.8 million in emergency supplemental assistance grants for recovery and repair to historic resources in areas impacted by Hurricanes Florence and Michael, and Typhoon Yutu. Funding will be pass-through state agencies to community applicants.

Award Size: \$500,000

Total Funding Available: \$10.2 million (Allocation to Florida)

Match Requirements: No

Eligibility: Communities impacted by Hurricanes Florence, Michael, and Typhoon Yutu. (More details about eligibility will be provided through state competition application guide)

Submission Deadline: *Monitoring*

Grant: *Staffing for Adequate Fire and Emergency Response (SAFER)*

Project Targets: Additional Firefighter/ EMT positions, Expand services

Funding Source: Federal Emergency Management Agency (FEMA)

Summary: The SAFER program accomplishes this by providing funding directly to fire departments and volunteer firefighter interest organizations to assist in increasing the number of firefighters to help communities meet industry minimum standards and attain 24-hour staffing to provide adequate protection from fire and fire-related hazards, and to fulfill traditional missions of fire departments. Two components to the program 1) Recruitment and retention of volunteer firefighter activity, and 2) hiring of firefighter activity.

Award Size: Not specified

Total Funding: \$350 million (FY 2019)

Available:

Match Requirements: Required if hiring firefighters; not required for retention. Waivers are available.

Eligibility: Volunteer, combination, and career fire departments

Submission Deadline: *Monitoring*; Most recent completion closed May 27, 2020

Grant:**Assistance to Firefighters Grant (AFG)****Project Targets:**

Turnout gear, Replacement ambulances, Expand services, Brush truck, Digital signs

Funding Source:

FEMA

Summary:

The primary goal of the Assistance to Firefighters Grants (AFG) is to enhance the safety of the public and firefighters with respect to fire-related hazards by providing direct financial assistance to eligible fire departments, nonaffiliated Emergency Medical Services organizations, and State Fire Training Academies.

Award Size:

Up to 100,000 people	<\$1 million
100,001 – 500,000 people	< \$2 million
500,001 – 1,000,000 people	< \$3 million
> 1,000,001 people	< \$3.5 million (with waivers available for higher amounts as needed)

Total Funding

\$315 million

Available:**Match Requirements:**

Dependent on jurisdiction size:

<20,000	5% of grant award minimum
20,000 – 999,999	10% of grant award minimum
> 1 million	15% of grant award minimum

Eligibility:

Fire departments, nonaffiliated EMS organizations (hospitals, medical centers, medical colleges/universities, infirmaries, surgery centers, etc.), and state fire training academies

Submission Deadline:

Monitoring; most recent competition was October 2018

Website:

<https://www.fema.gov/assistance-firefighters-grant>

Additional**Information**

FAQ: <https://www.fema.gov/media-library-data/1580402642857-9982757cbf78c454ed4ca8345f2e8cb5/2019AFQS.pdf>

Grant: **Hazard Mitigation Grant Program**

Project Targets: Stormwater projects

Funding Source: Florida Division of Emergency Management

Summary: The Hazard Mitigation Grant Program (HMGP) is a partnership that is designed to assist states, local governments, private non-profit organizations and Indian Tribes in implementing long-term hazard mitigation measures following a major disaster declaration.

Match Requirements: Required 25% of project costs

Eligibility: Government entities, private non-profit organizations, Indian Tribes with eligible mitigation projects

Submission Deadline: Varies; process first begins with the Local Mitigation Strategy Working Group (LMSWG)

Program Contact: Mitigation Hotline - (850) 815-4524

Website: <https://www.floridadisaster.org/dem/mitigation/hazard-mitigation-grant-program/>

Additional Information Current HGMP Declarations: Hurricane Michael, Post Fire FM-5178, Hurricane Irma, Hurricane Matthew, and Hurricane Hermine

Grant: **Edward Byrne Memorial Justice Assistance Grant (JAG) Program**

Project Targets: Substantial expansion and enhancement of Sheriff's Office communication system

Funding Source: US Department of Justice

Summary: JAG funds may be used to provide additional personnel, equipment, supplies, contractual support, training, technical assistance, and information systems for criminal justice.

Award Size: \$25,000, greater or less than depending on project length

Total Funding Available: FY2019: \$84.5 million

Match Requirements:

Eligibility: No
Units of local government may apply, including a town, township, village, parish, city, county, borough, or other general purpose political subdivision of a state.

Submission Deadline: *Monitoring*; Most recent competition was August 2018

Grant:

Building Resilient Infrastructure and Communities (BRIC)

Project Targets:

Brush truck, Digital signs, Stormwater management

Funding Source:

Federal Emergency Management Agency (FEMA)/Florida Division of Emergency Management

Summary:

This program is currently under development. Langston Consulting staff continue to monitor this program for updates and will provide information as it becomes available. Here is what is posted currently: "FEMA envisions that this program will incentivize new, innovative large infrastructure projects. In addition, the program will incorporate community lifelines. Lifelines are critical interdependent systems that enable continuous operation of government functions and critical business, and are essential to human health and safety or economic security."

This program is anticipated to replace the Pre-Disaster Mitigation Program. More information will be forthcoming.
