WHEREAS, pursuant to the Ordinance, the reimposition of Solid Waste Service Assessments for the Fiscal Year beginning of October 1, 2025, requires certain processes such as the preparation of the Assessment Roll; and

WHEREAS, annually a Preliminary Rate Resolution describing the method of assessing Solid Waste Cost against Residential Property located within the County, directing the preparation of an assessment roll, authorizing a public hearing and

directing the provision of notice thereof is required by the Ordinance for the reimposition of the Solid Waste Service Assessments; and

WHEREAS, the Board deems it to be in the best interest of the citizens and residents of the County to adopt this Preliminary Rate Resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF JEFFERSON COUNTY, FLORIDA, AS FOLLOWS:

SECTION 1. AUTHORITY. This resolution is adopted pursuant to the provisions of the Ordinance, the Amended and Restated Initial Assessment Resolution (Resolution No. 2023-34), the Amended and Restated Final Assessment Resolution (Resolution No. 2023-___), Article VIII, section 1(f), Florida Constitution, sections 125.01 and 125.66, Florida Statutes, and other applicable provisions of law.

SECTION 2. PURPOSE AND DEFINITIONS.

(A) This resolution constitutes the Preliminary Rate Resolution as defined in the Ordinance which initiates the annual process for updating the Solid Waste Assessment Roll and directs the reimposition of Solid Waste Service Assessments for the Fiscal Year beginning October 1, 2025.

(B) All capitalized words and terms not otherwise defined herein shall have the meanings set forth in the Ordinance, the Amended and Restated Initial Assessment Resolution, and the Amended and Restated Final Assessment Resolution. Unless the context indicates otherwise, words imparting the singular number, include the plural number, and vice versa.

SECTION 3. PROVISION AND FUNDING OF SOLID WASTE SERVICES.

(A) Upon the imposition of Solid Waste Service Assessments for Solid Waste management and disposal services, facilities, and programs against Residential

Property located within the incorporated and unincorporated areas of the County, the County shall provide or direct the provision of Solid Waste management and disposal services, facilities, and programs to such Residential Property.

(B) It is hereby ascertained, determined, and declared that each parcel of Residential Property located within the County will be benefited by the County's provision of Solid Waste management and disposal services, facilities, and programs in an amount not less than the Solid Waste Service Assessment imposed against such parcel, computed in the manner set forth in this Preliminary Rate Resolution.

SECTION 4. LEGISLATIVE DETERMINATIONS OF SPECIAL BENEFIT AND FAIR APPORTIONMENT.

The legislative determinations of special benefit and fair apportionment embodied in the Ordinance, the Amended and Restated Initial Assessment Resolution, and the Amended and Restated Final Assessment Resolution are affirmed and incorporated herein by reference.

SECTION 5. ESTABLISHMENT OF ANNUAL SOLID WASTE SERVICE ASSESSMENT RATE AND ASSESSMENT ROLL.

(A) For the Fiscal Year beginning October 1, 2025, for which Solid Waste Assessments are reimposed, the Solid Waste Cost shall be allocated among all parcels of Residential Property within the County, based upon each parcels' classification as Residential Property and the number of Dwelling Units for such parcels. The Solid Waste Cost for Fiscal Year 2025-26 is estimated to be \$1,537,104.00. Accordingly, a rate of assessment equal to \$248.00 for each Dwelling Unit for Solid Waste management and disposal services, facilities, and programs is hereby approved for Fiscal Year 2025-26.

(B) The following exemptions shall apply to the Solid Waste Service Assessment program:

(1) No Solid Waste Service Assessment shall be imposed upon a parcel of Government Property; however, Government Property that is owned by federal mortgage entities, such as the VA and HUD, shall not be exempted from the Solid Waste Service Assessment; and

(2) No Solid Waste Service Assessment shall be imposed against a Tax Parcel of Residential Property that is the homesteaded property of a totally and permanently disabled veteran or their surviving spouse and who receive a total property tax exemption for said Tax Parcel pursuant to either Sections 196.081 or 196.091, Florida Statutes.

(C) Any shortfall in the expected Solid Waste Service Assessment proceeds due to any reduction or exemption from payment of the Solid Waste Service Assessment required by law or authorized by the Board shall be supplemented by any legally available funds, or combination of such funds, and shall not be paid for by proceeds or funds derived from the Solid Waste Service Assessments. In the event a court of competent jurisdiction determines any exemption or reduction by the Board is improper or otherwise adversely affects the validity of the Solid Waste Service Assessment imposed for this Fiscal Year, the sole and exclusive remedy shall be the imposition of a Solid Waste Service Assessment upon each affected Tax Parcel in the amount of the Solid Waste Service Assessment that would have been otherwise imposed save for such reduction or exemption afforded to such Tax Parcel by the Board.

(D) The County Manager is hereby directed to prepare, or cause to be prepared, an updated Solid Waste Assessment Roll for the Fiscal Year beginning October 1, 2025, in the manner provided in the Ordinance. The Solid Waste Service Assessment among parcels of Residential Property shall be computed by multiplying the assessment rate by the number of Dwelling Units on such parcel.

(E) A copy of this Preliminary Rate Resolution, the Ordinance, the Amended and Restated Initial Assessment Resolution, the Amended and Restated Final Assessment Resolution, and the updated Solid Waste Assessment Roll is maintained on file in the office of the County Manager and open to public inspection. The foregoing shall not be construed to require that the updated Solid Waste Assessment Roll be in printed form if the amount of the Solid Waste Service Assessment for each of Residential Property can be determined by use of a computer terminal available to the public.

(F) It is hereby ascertained, determined, and declared that the foregoing method of determining the Solid Waste Service Assessments for Solid Waste management and disposal services, facilities, and programs is a fair and reasonable method of apportioning the Solid Waste Cost among parcels of Residential Property.

SECTION 6. AUTHORIZATION OF PUBLIC HEARING. There is hereby established a public hearing to be held at 5:00 p.m. on September 11, 2025, in the Courthouse Annex, 435 W. Walnut Street, Monticello, Florida, at which time the Board will receive and consider any comments on the Solid Waste Service Assessments from the public and affected property owners and consider imposing such Solid Waste Service Assessments for Solid Waste management and disposal services, facilities, and programs for the Fiscal Year beginning October 1, 2025, and collecting such

assessments on the same bill as ad valorem taxes pursuant to the Uniform Assessment Collection Act.

SECTION 7. NOTICE BY PUBLICATION. All first class mailed notices must be mailed no later than August 21, 2025.
