Good morning,

I would like to request an extension for turning in my Budget report. I have asked the Clerk's office for a copy of the Solid Waste Department's budget for the fiscal year 10/11 and have not received it to date. I need to confirm we are starting of on the same foot this year. I do not believe we have the same line items this year as last and as far as I know there has not been line items set up for the monies left over from fiscal year 08/09 nor has a line item been set up for the refund from the Aucilla Landfill. Please forgive my tardiness.
